JUDGE JODI W. DISHMAN

REPORTER CASSY KERR

PLFS'. COUNSEL Dallas Strimple

DFT.'S COUNSEL Gregg Lytle

Show cause hearing held. Counsel for the parties present as noted above. At the outset, the Court **ORDERS** that Entries of Appearance be filed on behalf of Andrew Perrong, Matthew Alison, and Gregg Lytle by **August 15, 2025**. The Court then provides a brief overview of case status before addressing its Show Cause Orders [Doc. Nos. 14, 16].

Oral argument by both sides of counsel heard. Following oral argument, the Court declines to hold Gregg Lytle in civil contempt but does impose a sanction under the Federal Rules of Civil Procedure, the Court's Local Civil Rules, and/or the Court's inherent powers, as follows:

1. Mr. Lytle is directed to read this Court's Local Civil Rules, paying particular attention to LCvR7.1.1 regarding disclosure statements;
2. Mr. Lytle is directed to review the cases cited by the Court on the record (*see below*); and
3. Mr. Lytle shall file with the Court a certification indicating he has complied with 1 and 2 above by **August 15, 2025**.

The Court **STRIKES** the corporate disclosure statement filed at Doc. No. 15 and finds that the newly filed Amended Disclosure Statement at Doc. No. 23 is sufficient to satisfy LCvR7.1.1. The Court does not find any conflicts of interest based upon its review of [Doc. No. 23]. The Court warns that failure to follow any court order in the future could result in sanctions.

All rulings made on the record. No written order to follow.
